

Arrival/Departure Private International Aerodrome Havlickuv Brod (LKHB)

Aerodrome Havlickuv Brod (LKHB) is operated by Aeroklub Havlickuv Brod. Aerodrome is approved as non-public international aerodrome for general aviation flights up to 5,7 t MTOW.

General instruction:

Recommended steps for crews:

1. Download pdf form and send it to info@aeroklubhb.cz or use on-line form <http://aeroklubhb.cz/wpmoduls/handling/> .
2. Please, fill in all obligatory fields.
3. Send it to our e-mail address not later than 72 hours before arrival/departure.
4. We confirm acceptance of your request and start of its processing.
5. Familiarise yourself on <http://aeroklubhb.cz/airport.php>.
6. Confirm your flight before you depart from last aerodrome with updated time of arrival.

You'll need for your flight :

1. Flight plan (if required by AIP)
https://aim.rlp.cz/ais_data/www_main_control/frm_en_aip.htm)
2. Valid ICAO chart of the Czech Republic (CAA CZ accept the alternative maps providers as well.)

Arrival / Departure instructions:

There are no special local restrictions, no noise procedures for single arrival/departure. The Airport traffic zone is out of any TMA's and CTR's. Only MTMA Caslav is starting close about 5 km northeast from the airport. Be aware of possible active TSA (LK 27 TSA) 300AGL/1000AGL about 6 km west from the airport

Services available in Havlickuv Brod

- Fuel – AVGAS 100, MOGAS 95 only on request
- Parking on the apron (anchoring by your equipment or upon prior request arranged by aerodrome operator).
- Parking in the hangar is possible only for aircraft with wing span up to 10 meters (prior request is essential due possible lack of the hangar space).
- Accommodation (from low cost up to luxury class), taxi, rent car can be arranged upon prior request.
